

MERRY CHRISTMAS DEAR FRIENDS FROM GERRY AND RUTHIE AND CHILDREN AND GRANDCHILDREN.

Thank you Safe Harbor PCA for Helping us to help poor children from the Highlands in their struggle with the cold season by providing warm blankets for each of them. Notice Ruthie lifting her hands as did the last Inca when offering gold for his freedom to Francisco Pizarro the Spanish conqueror.

Thank you for helping us to encourage the children after the flood by teaching, playing, praying and going out to eat “BBQ chicken” on the “Bankard’s Bus” (Sixty kids on a twenty passenger bus)

Gerry is trying to convince a crazy man that even though he may have lost his mind, he has not lost his looks. He still was created in the image of the living God.

Our neighbors across the street contemplate in amazement that there was a human being inside the dirty outfit and stinking man. They can not get over that we could touch and clean up such a disgustingly filthy man.

CERTAINLY SOMEONE GREATER THAN ANYONE HAS COME DOWN FROM HEAVEN AND HAS TOUCH OUR FILTHINESS AND ALTER OUR LIVES FOR THE REST OF ETERNITY.
